MAKE YOUR OWN DREAM JAR!

DREAM JARS are where The BFG keeps the good dreams that he mixes before he delivers them to children using his giant dream trumpet.

YOU WILL NEED:

- * 1x Jar (Don't forget the lid!)
- * Cotton balls
- * 3-4 colours of acrylic paint or food colouring
- * Cups and Pencil (For mixing paint)
- * Glitter and Sparkly stars (Optional, but fun!)
- * Water

Start by placing 4-5 cotton balls in the jam jar. Use a pencil to poke them flat, for extra sparkle you could sprinkle glitter and sparkly stars inbetween each layer.

Fill a cup half with water and put about 3-4 squirts of paint or food colouring in each. Mix until the colour appears. Pour it on top of the cotton balls. Continue this process layer by layer with different colours! Kids can experiment what happens when you use more or less cotton balls on each layer.

Finish your Dream Jar by gluing the lid tight to avoid getting UCKY-MUCKY!
